1. Flag all duplicates:

A new option has been added to the **Red Flag Candidate** window allowing the user to Red Flag all candidate duplicates in the system.

With the “**Flag all system duplicates**” checkbox selected, all duplicate candidates in the system will be automatically red flagged and will display the note entered by the user under the **Notes** section of the **Messages** tab.

2. E-mail Resume - Zip Attachments option:

A new setting, E-mail resume, on the **Global Preferences** screen, under the **Candidate Settings, Attachments** section, allows Admin users to determine the way candidate files are attached to e-mailed resumes.

Global Preferences

Attachments

There is a risk that the uploaded file would contain harmful/offensive material. HRsoft will scan the files using industry standard and reasonably up to date antivirus but there is no such thing as absolute protection

Extensions accepted: jpg,rtf,doc,docx,gif,jpeg,pdf,txt,zip,wpd,wpe

E-mail resume: Zip Attachments Attach Individual Files

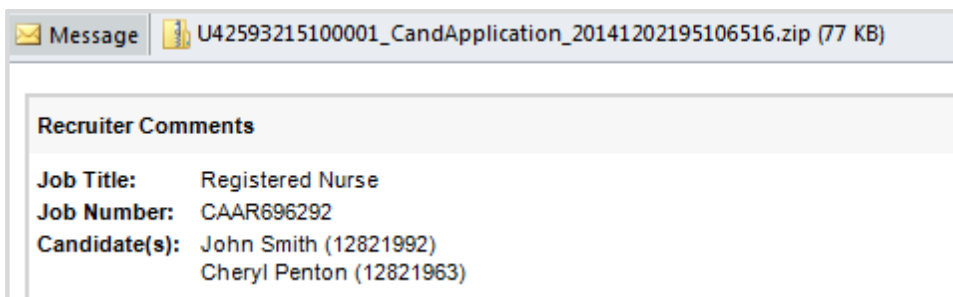

This Feature is: On for Users & Candidates ▾

Number of files a candidate can attach: 7

Enable Mandatory Attachments: Off On

Disk space usage: 152.47MB/Unlimited

- Selecting “**Zip Attachments**” allows the system to put all files for the selected candidate(s) in one zip file, reducing the total size of the files.

- b. Selecting “**Attach Individual Files**” allows the files to be attached individually to the e-mail.

3. Icon descriptions on Hover:

With the introduction of many new icons to our UI, we have added descriptions that display on hovering over an icon. This will make the process easier for our users as they get acquainted with the new UI.
