### **Bellwether Financial Group Completes Capital Raise for HRsoft**

Newport Beach, CA – July 25, 2018, Bellwether Financial Group (“Bellwether”) today announced the completion of a Series B Preferred Stock round it led on behalf of HRsoft, a leader in cloud-based SaaS solutions for compensation and rewards planning.

“We are pleased with our continued involvement with HRsoft and leading this follow-on investment,” said Joe Ueberroth, Founder and President of Bellwether. He added, “We believe the product offerings and growth potential of HRsoft remain solidly on track from our initial investment thesis.”

HRsoft was named Company of the Year in December 2017 by The Technology Headlines, a magazine that brings together CIOs, CXOs, and other technology decisions involved in the evolution of technology and industry trends. HRsoft’s compensation management software products combine powerful industry leading features and the ability to integrate with HRIS and other third-party software to create a tremendous value and ROI for its customers.

David Kennedy, CEO of HRsoft, stated, “This continued investment and leadership commitment from Bellwether further allows HRsoft and its team the necessary tools to execute on our next phase of growth. We look forward to expanding upon our platform.”
